Spring (2) Week 2

## HEADTEACHER UPDATE

*Mrs. Glenda Glenwright*

The children in Class 1 and Class 2 have enjoyed taking part in Live Lessons run by the NFU as part of British Science Week. The lessons focussed on animal adaptation, climate change and sustainability.

In Early Years, the children made jelly and melted chocolate to explore changes. They have also been learning about Holi, the Hindu festival of colour, love and Spring.

**Attention Parents Using School Transport:** Your child's safety is our top priority. Please remember that it is your responsibility to ensure they are safely escorted to and from the bus. Make sure your child is accompanied at pickup and drop-off points to guarantee their safety. Thank you for your cooperation

Have a lovely weekend
