

Personal, Social and Emotional

The children in Nursery are all settled and are starting to form new friendships with their peers. The children will continue to learn Nursery's routine and our foxes are being encouraged to help the squirrels and hedgehogs when getting ready or playing. We are going to be continuing to develop the children's independence in their own self-care and praising children when they have a go.

Expressive Art and Design

We are going to be exploring the instruments outside and talking about the tempo. We shall listen to music from around the world. We are going to use a range of materials to create animals we find around the world.

Maths

We are going to be cooking pizzas when Fluff is in Italy. We will be measuring the ingredients and using more and less and counting how many we need. We are going to look at patterns we can see around us and animals patterns.

Communication and Language

The children are enjoying listening to stories. We will continue to read stories based on the world and animals around the world. We will introduce the children to new vocabulary and continue to look at non-fiction books. All of our children's talking is developing really well. The children are happy to talk to each other and us adults. The foxes are talking a lot more when playing and developing their imaginations.

Nursery Spring Term 2 Around the World

Ways you can help your child

- Share books together.
- Go on a Spring walk and talk about what you can see.
- Talk about the different countries Fluff is visiting.
- Sing Nursery Rhymes together.

Physical Development

As the weather warms up we will practise our ball skills outside. We will use a range of tools outside to mark make including chalk and water. We are going to talk about food that is healthy and unhealthy and try some food from around the world.

Literacy

We are going to be reading Elmer and Handa's Surprise. We shall talk about the sequence of the story. At circle times we shall read The Colour Monster and talk about how we feel and what makes us feel like that. Our Foxes are going to be using their ears to begin to hear different sounds in words.

Understanding the World

Fluff is continuing his adventure around the world. This half term he is going to visit India, Australia, Africa, Italy, America and Brazil before returning home. We are also going to be looking for signs of spring outside and planting flowers on the ramp for us to look after.
